**CUSTOM MILLSHOP**

# ABOUT US

Founded in 1911, TW Perry has grown from a small local lumberyard into one of the Mid-Atlantic's most trusted building material suppliers. For over a century, builders, architects, and homeowners have relied on our commitment to quality, service, and craftsmanship.

Our Millshop has been at the heart of that tradition. Unlike mass-produced, machine-cut doors, every piece that leaves our Millshop is the product of true craftsmanship. Our doors are built start to finish by a dedicated artisan who selects the best lumber, mills it by hand, and creates a 100% custom design. With the ability to replicate historic profiles or bring unique visions to life, our Millshop remains a place where detail, tradition, and creativity come together.

# DESIGN

If you can imagine it, we can build it. From reproducing an unusual historic design to inventing something entirely new, our craftsmen thrive on creating doors that don't exist anywhere else. Every door is built from solid wood, individually designed, and handcrafted—making each one a functional piece of art.

*Pictured here: an arched top transom with elaborate CNC machined SDL grills. The matching sidelight include interior privacy shutters that can be opened during the day and closed for privacy at night.*

# CUSTOM

We pride ourselves on attention to detail. With custom profile tooling, our Millshop can replicate any door style—no matter how unusual, dated, or intricate. From historic reproductions to bespoke designs, every piece is tailored to match your vision with precision and authenticity.

*Pictured here: 10' Custom French doors, with curved French lights and transoms, crafted specifically for a stunning French Chateau-style home in Great Falls, VA.*

# THE DIFFERENCE

While competitors rely entirely on CNC machines and assembly-line construction, our process is much more hands-on. Each of our solid wood doors is hand-built by a craftsman who oversees every detail—from choosing the perfect boards to shaping custom profiles. The result is a door that's not just built, but truly crafted: unique, durable, and unmatched in quality.

*Pictured here: Mahogany Custom 12 light Entry Door Unit with SDL bars, crossbuck panel and double sidelights.*

# PHOTO GALLERY

Our work speaks best for itself. Behind every curve, joint, and panel is the hand of a craftsman shaping raw wood into something entirely its own. Step into our gallery to explore past designs that highlight the detail, character, and individuality of our work.

Pictured here: This custom stain grade solid Mahogany system features a 4'-0" X 9'-0" arched top center door with flanking arched top sidelight and wing panels. The is a custom design based on a concept provided by the customer.

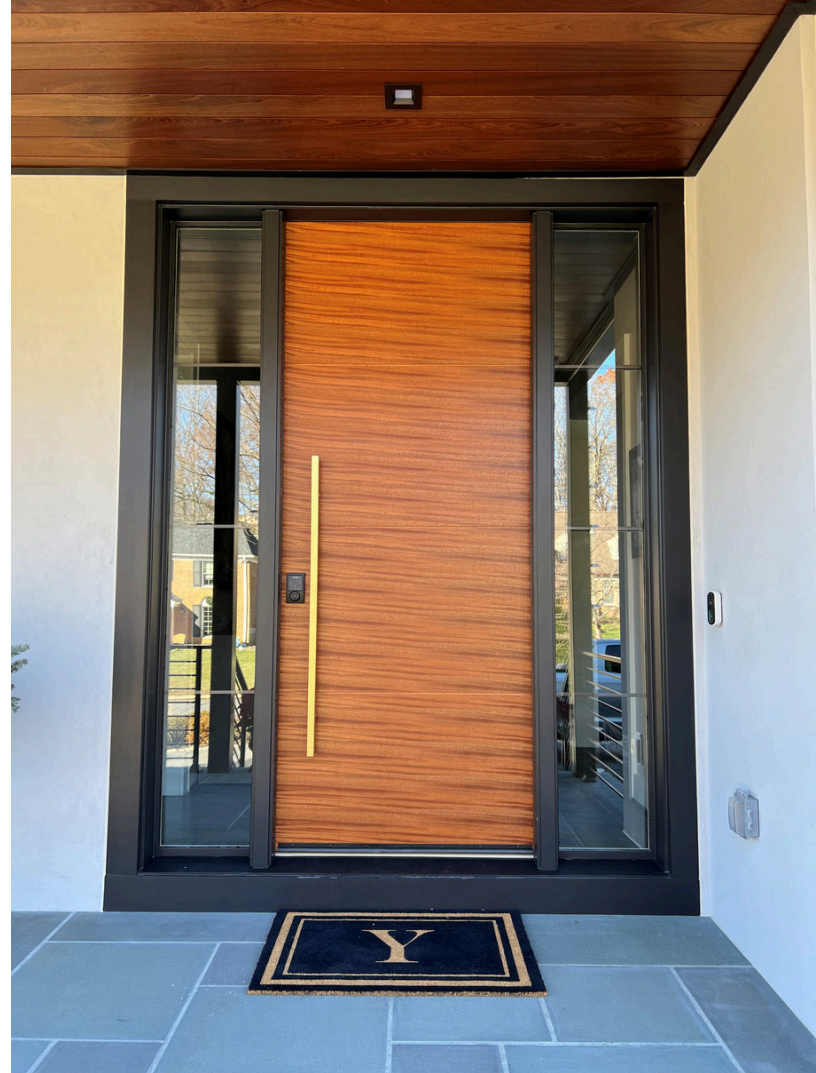

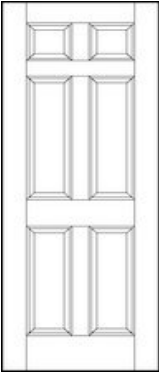

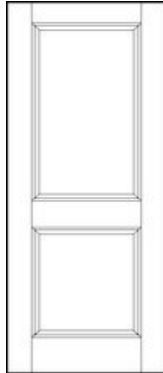

### Moulded Panel Doors

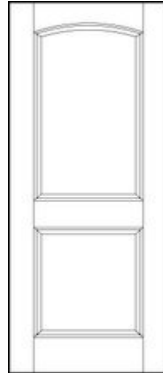

HC = Hollow Core SC = Solid Core

**Colonist Smooth**  
6 Raised Panel, Smooth  
Construction: HC, SC  
Avail Heights: 6/8, 7/0, 8/0  
Thickness: 1-3/8"  
\* 7/0, 8/0 avail SC only \*

**Carrara**  
2 Raised Panel, Smooth  
Construction: HC, SC  
Avail Heights: 6/8, 7/0, 8/0  
Thickness: 1-3/8"  
\* 7/0, 8/0 avail SC only \*

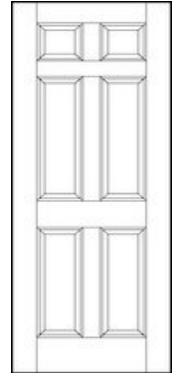

**Caiman**  
2 Raised Panel (arched), Smooth  
Construction: HC, SC  
Avail Heights: 6/8  
Thickness: 1-3/8"

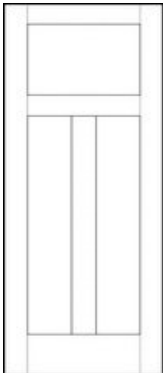

**Monroe**  
2 Flat Panels, Smooth  
Construction: HC, SC  
Avail Heights: 6/8, 7/0, 8/0  
Thickness: 1-3/8"  
\* 7/0, 8/0 avail SC only \*

**Madison**  
1 Flat Panels, Smooth  
Construction: HC, SC  
Avail Heights: 6/8, 7/0, 8/0  
Thickness: 1-3/8"  
\* 7/0, 8/0 avail SC only \*

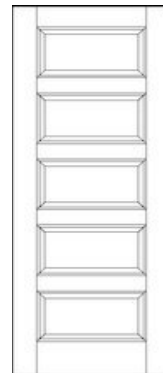

**Colonist Woodgrain**  
6 Raised Panel, Woodgrain  
Construction: HC, SC  
Avail Heights: 6/8  
Thickness 1-3/8"

Construction: HC, SC  
Avail Heights: 6/8  
Thickness 1-3/8"

**Conmore**  
5 Flat Panel, Smooth  
Construction: HC, SC  
Avail Heights: 6/8  
Thickness 1-3/8"

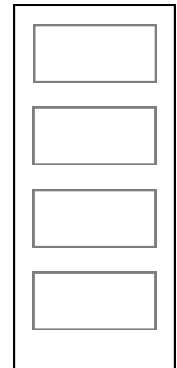

**Rockport**  
5 Raised Panel, Smooth  
Construction: HC, SC  
Avail Heights: 6/8  
Thickness 1-3/8"

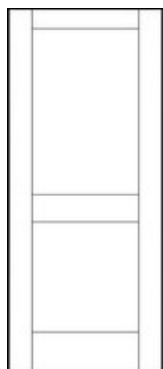

**Santa Fe**  
2 Raised Panel, w/ V-Grooves  
Construction: HC, SC  
Avail Heights: 6/8  
Thickness 1-3/8"

### Stile & Rail Doors

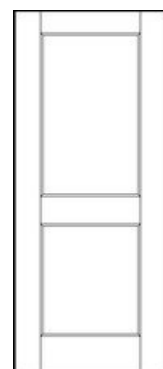

**PR8740**  
3/8" MDF Flat Panel, Shaker Sticking  
Construction: Wood Stile & Rail  
Avail Heights: 6/8  
Thickness 1-3/8"

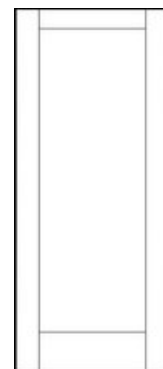

### Stile & Rail Doors

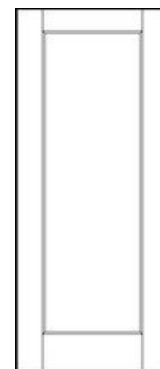

**PR8782**  
2 Flat Panel, Square Sticking  
Construction: Wood Stile & Rail  
Av Heights: 6/8, 7/0, 8/0  
Thickness 1-3/8", 1-3/4"

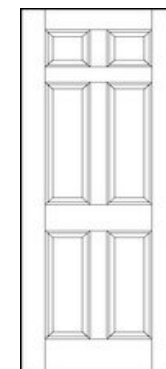

**PR8082**  
2 Flat Panel, Ovolo Sticking  
Construction: Wood Stile & Rail  
Av Heights: 6/8  
Thickness 1-3/8"

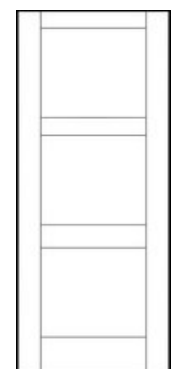

**PR8720**  
1 Flat Panel, Square Sticking  
Construction: Wood Stile & Rail  
Av Heights: 6/8  
Thickness 1-3/8"

**PR8020**  
1 Flat Panel, Ovolo Sticking  
Construction: Wood Stile & Rail  
Av Heights: 6/8  
Thickness 1-3/8"

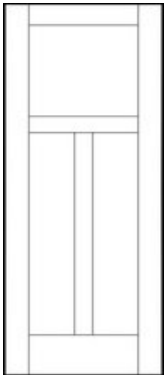

**PR66**  
6 Raised Panels, Ovolo Sticking  
Construction: Wood Stile & Rail  
Av Heights: 6/8  
Thickness 1-3/8"

**PR8730**  
3 Flat Panel, Square Sticking  
Construction: Wood Stile & Rail  
Av Heights: 6/8  
Thickness 1-3/8"

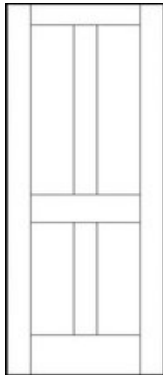

## Stile & Rail Doors Cont.

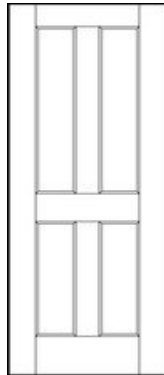

### PR8760 (Craftsman)

3 Flat Panel, Square Sticking  
Construction: Wood Stile & Rail  
Avail Heights: 6/8  
Thickness: 1-3/8"

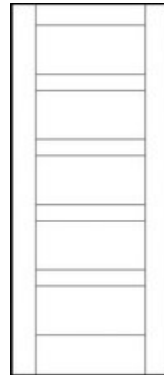

### PR8744

4 Flat Panel, Square Sticking  
Construction: Wood Stile & Rail  
Avail Heights: 6/8  
Thickness: 1-3/8"

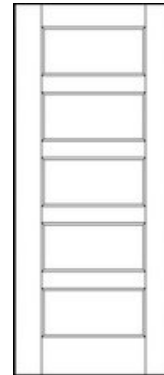

### PR8044

4 Flat Panel, Ovolo Sticking  
Construction: Wood Stile & Rail  
Avail Heights: 6/8  
Thickness: 1-3/8"

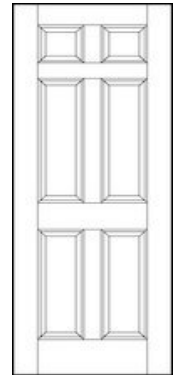

### PR8755

5 Flat Panel, Square Sticking  
Construction: Wood Stile & Rail  
Avail Heights: 6/8  
Thickness: 1-3/8"

### PR8055

5 Flat Panel, Ovolo Sticking  
Construction: Wood Stile & Rail  
Avail Heights: 6/8  
Thickness: 1-3/8"

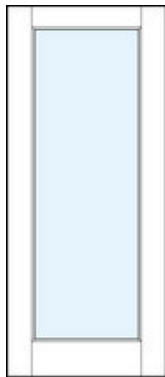

### 6-PANEL PINE

6 Raised Panels, Ovolo Sticking  
Construction: Wood Stile & Rail  
Avail Heights: 6/8  
Thickness: 1-3/8"  
\* Bare Radiata Pine \*

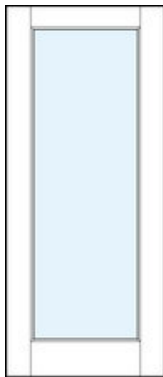

### Louver/Louver

Louver over Louver, Primed  
Construction: Wood Stile & Rail  
Avail Heights: 6/8  
Thickness: 1-3/8"

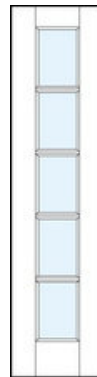

### 1-Lite Clear

1 Lite, Clear Glass  
Construction: Wood Stile & Rail  
Avail Heights: 6/8  
Thickness: 1-3/8"

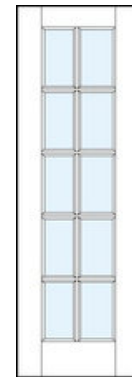

### 1-Lite Frit

1 Lite, Frit Glass  
Construction: Wood Stile & Rail  
Avail Heights: 6/8  
Thickness: 1-3/8"

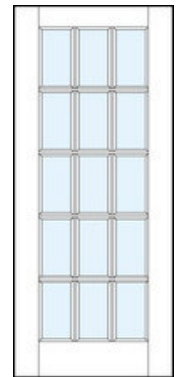

### 5-Lite Clear

5 Lite, TDL, Clear Glass  
Construction: Wood Stile & Rail  
Avail Heights: 6/8  
Thickness: 1-3/8"

### 10-Lite Clear

10 Lite, TDL, Clear Glass  
Construction: Wood Stile & Rail  
Avail Heights: 6/8  
Thickness: 1-3/8"

### 15-Lite Clear

15 Lite, TDL, Clear Glass  
Construction: Wood Stile & Rail  
Avail Heights: 6/8  
Thickness: 1-3/8"

## Flush Doors

### Hardboard

Flush  
Construction: HC, SC  
Avail Heights: 6/8, 7/0, 8/0  
Thickness: 1-3/8"

### Birch

Flush  
Construction: HC, SC, SWC  
Avail Heights: 6/8, 7/0, 8/0  
Thickness: 1-3/8", 1-3/4"
